At SCOOSH we aim to provide daily routines that meet the needs of individual children in relation to each child's social, physical, intellectual, creative and emotional development. As the Centre is the child's time for play and leisure, this will be reflected in the daily routines. SCOOSH always strives to develop and implement a balanced program that is stimulating, interesting and exciting which allows opportunities for children to play, explore and develop new skills and is appropriate to the developmental and leisure needs of all children. Our program is also a reflection of the cultural diversity of today's society.

Children and parents are encouraged to be actively involved in the planning, implementation and evaluation of the program. We pride ourselves in providing an environment for the children to move towards experiencing feelings of being, belonging and becoming.

Creating Magical Moments: Child-Centered Activities at SCOOSH!

At SCOOSH, our goal is to provide children with unforgettable experiences and activities that are centered around their interests, passions, and imaginations! We believe that every child is unique and deserves to have their individuality celebrated. That's why we strive to create a diverse range of child-centered activities that cater to their specific needs and preferences. From arts and crafts to sports and games, there's something for every child to enjoy at SCOOSH!

Our dedicated team of Educators takes the time to understand each child's interests and talents, ensuring that the activities we offer are engaging, educational, and most importantly, fun! We encourage children to express themselves, explore their creativity, and discover new passions along the way.

Whether it's a painting workshop where budding artists can unleash their creativity or a sports session where aspiring athletes can showcase their skills, we provide a safe and nurturing environment for children to thrive and grow. We believe that when children are actively involved in activities that they love, they develop confidence, resilience, and a lifelong love for learning.

But it's not just about the activities themselves; it's about creating magical moments and memories that children will cherish forever. We foster a sense of belonging and friendship, encouraging children to collaborate, support one another, and build lasting connections. At SCOOSH, every child is valued, heard, and celebrated for who they are.

So, join us at SCOOSH, where child-centered activities come to life! Let's create a world of wonder, laughter, and endless possibilities for our incredible children. Together, we can inspire, empower, and nurture the next generation of dreamers and achievers!
